RILEY SKATE PARK
FARMINGTON HILLS, MICHIGAN

We have built one of the country's best skate parks and with that, created the Premier Recreation Facility in Founders Sports Park (35500 Eight Mile Rd, Farmington Hills, MI 48335): having a skate park, ice arena, music venue, disc golf course, sand v-ball, b-ball courts, baseball, soccer, bocce ball, cricket, video games, camps, an after-school youth center, special events, tournaments and many other activities.

Thank you George Riley,
the Riley Foundation,
and all those who have
helped make Riley Skate Park
become reality!

Riley Skate Park is a 29,000 square foot all-concrete park was designed to be host of local and national competitions and is now the area's premiere hotspot for skateboarders and in-line skaters. The unique design provides elements for skateboarders/in-line skaters of all skill levels, and spectators the opportunity to view the activity in a comfortable park like setting, for FREE.

The City of Farmington Hills Department of Special Services and a committee of dedicated residents, had a MISSION: to establish a premier concrete skate park where skaters can exercise in a clean, safe environment without endangering people or damaging property. To develop a well-maintained park open to skaters who are willing to uphold the park's rules and regulations. To view this park as a community project, designed to satisfy the needs of skaters and families.

Riley Skate Park was designed and built from money generated through corporate donations, small business support, fundraising events, and individual support.
